

SECTION 1 – Product and Company Identification				
Product Name:	JETT SETT	Distributed by:	The Contenti Company	
Generic Name:	Protoplast	Address:	515 Narragansett Park Drive Pawtucket, RI 02861	
Chemical Family:		Distributor's Phone:	401-305-3000	
Formula	C6 H10 O2 (C4 H10 O2) X	Emergency Phone:	401-408-0666	
Recommended Use:		Restrictions on Use:	Do not ingest	
SECTION 2 – Hazard(s) Identification				
Hazard Classification:	This chemical is not classified according to the Globally Harmonized System.	Signal Word:	N/A	
Hazard Statement:	N/A	Precautionary Statement:	Burning gives off toxic fumes. Slippery especially when wet. Dusts from grinding operations may aggravate existing lung disorders when proper protection is not used.	
Pictograms:	N/A	Other Hazards:	Caution-substance not yet fully tested. Due to the structure of the substance and studies made on similar products we assume that the produce is unclassified. Decomposition gasses when burned may be irritating to the eyes and skin. Note the risk of burn injuries if the product is handled heated.	
SECTION 3 – Composition/Ingredient Information				
Chemical/ Mixture Name:	Common Name:	Other Identifiers:	Concentration (%):	CAS Number:
2-Oxepanone, polymer with 1, 4-butanediol			99%	31831-53-5
SECTION 4 – First Aid Measures				
EFFECTS OF OVEREXPOSURE		FIRST AID PROCEDURES		
Skin:	Not affected during normal use. Molten Aquaplast RT Thermoplastic can burn skin	Skin:	Remove contaminated clothing. Wash skin with soap and water. Get medical attention if symptoms develop.	
Eyes:	Not affected during normal use	Eyes:	Hold eyelids open and flush eyes with plenty of water for at least 15 minutes. Get medical attention if symptoms develop.	
Inhalation:	Not affected during normal use. Inhalation of dust and/or vapors during machining or thermal processes can be irritating and lead to respiratory concerns. Fumes created through thermal processes will produce carbon monoxide and carbon dioxide.	Inhalation:	Remove from further exposure. If respiratory symptoms develop, seek medical attention.	
Ingestion:	Not affected during normal use.	Ingestion:	Wash out mouth with water and keep at rest. Seek immediate medical attention.	

SECTION 5 – Fire-Fighting Measures			
Extinguishing Media:	Water, water spray, Foam, CO2	Special Firefighting Procedures:	Evacuate all non-essential personnel. Wear self-contained breathing apparatus when in close proximity or in confined spaces. Remove exposed Fibreplast or cool with large quantities of water.
Unusual Fire & Explosion Hazards:	Non-exposive	Flashpoint	Cleveland Open Cup / ASTM D92 527' F 275' C
SECTION 6 – Accidental Release Measures			
Emergency Spill Procedures:	N/A	Cleanup Procedures:	
SECTION 7 – Handling and Storage			
Handling Precautions:	Use appropriate personal protective equipment as specified in Section 8. Handle and use in a manner consistent with good industrial techniques and practices.	Storage Recommendations:	Keep in original packaging in a cool dry location, away from exposure to direct sunlight.
SECTION 8 – Exposure Controls/Personal Protection			
OSHA PELs:	ACGIH:	Other Exposure Limits:	
Respiratory Protection:	If airborne dust is present and exposure limits for Particulates Not Otherwise Classified cannot be maintained via appropriate engineering controls, use a NIOSH approved particulate respirator.	Eye Protection:	None required during intended use.
Ventilation Requirements:	If dust is generated, provide local exhaust ventilation to control airborne levels below the ACGIH TLV-TWA exposure limit for Particulates Not Otherwise Classified of 10 mg/m ³ for inhalable particles and 3mg/m ³ for respirable.	Protective Gloves:	Not hazardous to skin. Large pieces may require hand and arm protection. Use of gloves may be necessary to prevent cuts to arms or hands when handling large sheets.
Other Protections:			
SECTION 9 – Physical and Chemical Properties			
Appearance:	Solid – white to ivory sheet, pellet or tube	Boiling Point:	Not determined.
Odor & Odor Threshold:	Odorless	Melting Point:	Not determined.
Vapor Pressure: (mm Hg)	Not determined.	Freezing Point:	Not determined.
Vapor Density: (air = 1)	Not determined.	Flammability: (solid, gas)	Not determined.
Relative Density:		Flash Point: (method used)	Not determined.
Specific Gravity:	1.1 at 140 degrees F (60 degrees C)	Upper Explosion Limit:	
Viscosity:	Not determined.	Lower Explosion Limit:	
Solubility in Water:	Insoluble	Auto-ignition Temperature:	

pH:	N/A	Decomposition Temperature:	
Partition Coefficient:		Evaporation Rate:	Not determined.
SECTION 10 – Stability and Reactivity			
Stability:	Stable under normal ambient conditions of temperature and pressure.	Reactivity:	
Incompatible Materials:	Acids and alkali	Hazardous Decomposition:	Carbon monoxide and carbon dioxide when burned
Incompatible Conditions:	High temperature and humidity	Hazardous Polymerization:	Will not occur.
SECTION 11 – Toxicological Information			
NTP:	Not listed	IARC Monographs:	Not listed
		OSHA Regulated:	Not listed
Possible Routes of Exposure:	skin and eyes	Effects of Exposure:	Does not affect eyes or skin under normal use. For mechanical processes that produce dust, use approved safety glasses.
Measure of Toxicity:		Symptoms of Exposure:	Molten Aquaplast RT Thermoplastic can burn skin.
SECTION 12 – Ecological Information			
Toxicity on Organisms:	No Data	Environmental Impacts:	No Data
Other Adverse Effects:			
SECTION 13 – Disposal Considerations			
Disposal Containers:	Aquaplast RT is not considered hazardous waste under Federal Hazardous Waste Regulations (40 CFR 26.1).	Disposal Methods:	
Special Precautions:	Please be advised however, that Federal laws may change and that state and local requirements for waste disposal may be more restrictive or otherwise different from Federal regulations.		
WASTE MUST BE DISPOSED OF IN ACCORDANCE WITH FEDERAL, STATE, AND LOCAL ENVIRONMENTAL CONTROL REGULATIONS. DO NOT FLUSH INTO SEWAGE SYSTEMS.			
SECTION 14 – Transport Information			
UN Number:	N/A	Hazard Class:	N/A
UN Shipping Name:	N/A	Packing Group Number:	N/A
Environmental Hazards:		Bulk Transport Guidance:	
Special Precautions:			
SECTION 15 –Regulatory Information			
Additional Regulations:	CERCLA Hazardous Substance (40CFR Part 302); SARA, Title M, Sections 302/303; (40 CFR Part 370 - Hazardous Chemical Reporting: Community Right-to-Know)		
SECTION 16 – Other Information			

SAFETY DATA SHEET (page 4 of 4)

Date Prepared/ 3/29/17
Revised:

This company cannot anticipate all conditions of handling and use of this product. Therefore, this company accepts no responsibility for results obtained by the application of this information, or the safety and suitability of our products either alone or in combination with other products. It is the responsibility of the user to provide a safe workplace, using the health and safety information contained herein as a guide. This company will accept no liability for damages or loss incurred from the improper handling and use of this product.
